THE
maker's
COLLECTION

Urban

Industrial & Man-made Texture

01

The Maker's Collection Urban is a burnished effect inspired by the industrial history of UK made ceramics. Urban mimics the worn, man-made textures of industrial landscapes. Decorated under a semi-matte glaze for toughness, Urban is designed for professional use.

Available in Steel Grey and Lamp Black, the Urban colour palette is in keeping with the raw luxury of contemporary interior design.

Urban Lamp Black & Steel Grey

Industrial Urban is available in the same shapes as new design Harvest Norse, narrow rimmed plates, coupe rounds and rectangles, giving the option to mix and match between the collections to create individual looks.

maker's
COLLECTION

Finca

A Creative Heritage

02

The Maker's Collection draws on the heritage of the Dudson brand and creative ceramic crafts. Finca is a multi-tonal print that mimics the worn textures of rustic interiors and architectural designs.

Crafted and creative, Finca is finished in a semi-matte, hand dipped glaze, enhancing the character of the collection and leaving original 'makers marks' on the reverse of each piece. Decorated in-glaze for industrial toughness, The Maker's Collection is designed for professional use.

Harvest Norse

Simple Rusticity

03

Harvest Norse is a design based on the simple rusticity and functionality of Nordic craftsmanship. The minimal radial lines have the appearance of hand-carved marks and are enhanced by hand glazing to create the rustic look and feel of crafted pottery.

Harvest Norse Grey & Linen

Simplistic Norse, inspired by stripped back Nordic design is available on narrow rimmed plates, coupe rounds and rectangles. Minimal and functional tableware shapes.

Harvest Mediterranean

Rustic Coastal Charm

New for Summer 2022

04

The Harvest Mediterranean design captures the charm of Southern Europe, taking inspiration from the hand painted ceramics of the region's coastal countries. Harvest Mediterranean features three different patterns, so is perfect for creating an eclectic tabletop look. Hand finished with the fresh Harvest Ink edge band, the rustic Mediterranean design is perfect for mixing with other colours in the Dudson portfolio.

Harvest Mediterranean

New for Summer 2022

Harvest Mediterranean looks great mixed with other colours in the collection, such as the fresh Turquoise and Blue tones. Alternatively create a more rustic feel by combining Mediterranean with the warmer shades of Harvest Mustard and Brown.

Harvest

Handcrafted and authentic

New colour for Summer 22

05

Harvest's genuine hand finished pieces reflect the 'farm-to-table' philosophy so popular in today's dining out culture. Every piece is individually glazed by hand leaving an original 'makers mark' on the reverse, highlighting the handcrafted nature. All pieces also feature a hand finished sponged rim, which naturally drips to create a unique piece. Individuality does not come at the expense of quality. Harvest products are made in England using the Dudson Finest Vitrified ceramic body. From casual to fine dining restaurants and everything in between, Harvest's industrial toughness stands up to everyday use in a professional kitchen environment.

New in Harvest for Summer 2022 is a deep Plum shade, a perfect rich tone for mixing with the existing Harvest colours.

Harvest Plum

New colour for Summer 2022

Introducing Harvest Plum, a deep pink tone that brings a sophisticated pop of colour to the rustic Harvest collection. The chic pink is a versatile colourway for serving all manner of dishes, from fresh summer ingredients and colourful desserts to rustic autumnal recipes.

Harvest Natural & Linen

With the distinctive hand finished brown edge and neutral base colours, Harvest Natural and Linen can be mixed and matched with Harvest colours or plain white tableware for an individual look.

Harvest Ink & Turquoise

The fresh blue tones of Turquoise and Ink bring a vibrancy to the Harvest collection. Harvest Ink creates a retro feel, while lively Turquoise has a contemporary energy; both colourways are perfect for brightening up any tabletop.

Harvest Grey & Mustard

Rustic and warm, Harvest Mustard is designed to combine with existing Harvest tones for an eclectic mix. We continue to enjoy the popularity of neutral grey tones on the tabletop and Harvest Grey is an ideal base for a range of colourful dishes.

Harvest Brown, Green & Blue

The hand decorated colours of Harvest mix and match together to create a look that is perfect for the 'farm-to-table' philosophy. From the warm shade of Brown, to cooler tones of Blue and Green, the colours are designed to complement each other or work individually.

White

Crafted Shape Design

06

A collection of exclusive shapes, Dudson White is in keeping with the brand's heritage as expert craft potters. The designs feature a subtle irregular edge and hand-thrown embossment. Manufactured in Dudson's Finest Vitrified body, the collection has the industrial toughness to stand up to every day use in a professional kitchen.

The White collection features organic shapes in rounds and rectangles, including the iconic Wobbly bowl.

Terrazzo

Decorative and Abstract

07

Terrazzo is inspired by the Italian decorative technique of combining fragments of marble and glass to create a speckled abstract pattern. Popular in the 1970's, the use of Terrazzo has made a comeback in the hospitality interiors of today. The conceptual, fragmented pattern is available in Green and Blue, adding a splash of retro revival colour to any tabletop.

A colourful range, Terrazzo heightens the presentation of casual food styles, from street food to sharing plates and gastro bars.

Reactive texture within the print produces a variance in effect and colour, so every piece retains individual character. Manufactured in the Dudson Finest Vitrified ceramic body, Terrazzo's industrial toughness stands up to everyday use in a professional kitchen environment.

Evo Origins

A simplistic reinvention

08

Evo Origins is a range within the Evo collection. It has been designed to complement the original Dudson Evo range that is already established in the marketplace and popular with chefs worldwide. Made in England in the Dudson Finest Vitrified ceramic body, Evo Origins features a subtle textured decoration. Each piece is finished in an innovative semi-matte glaze. Available in three industrial colours, Fawn White, Midnight Black and Natural Grey, that mimic tones found in the urban environment.

Evo Origins Natural Grey, Midnight Black & Fawn White

Evo Origins' unlimited appeal lies in its ability to look at home in any surroundings, whatever the menu style. With the addition of food the collection immediately springs to life.

Available in three industrial colours and supremely practical, Evo Origins is made in England and has the industrial toughness to stand up to everyday use in a professional kitchen.

Evo Origins Natural Grey and Fawn White are neutral, subtle colours, while Midnight Black is deep and eye-catching. All colours feature a textured decoration and mix together to create a tonal but bold look.

Evo

Character established by tradition

09

Handcrafted, Evo is supremely practical and whatever your particular service requirements, items can be mixed and matched to suit. Evo has been designed with the appearance of hand-thrown pottery and its homely charm adds a touch of warmth to any tabletop. A replication of shape and aesthetics, Evo is available in three well established glaze colours, Granite, Jet and Pearl. The fully glazed pieces are hand dipped on Vitrified Stoneware and the reactive colours create variation, making each piece individual.

Evo Granite, Jet & Pearl

The character of Evo and the collection's hand thrown look is enriched with the Granite reactive glaze, a matte colour that features multiple reactive tones, making each piece individual.

Jet offers a dramatic tabletop solution, the matte glaze and stark black tone contrasts perfectly against the richness of chefs' food presentation. Whilst subtle Evo Pearl offers a humble and homely platform for displaying food without compromising on character.

All the shapes have a handcrafted feel and feature the signature Evo embossment, while the colours mix together to create a natural tabletop combination.

Wood

Naturally Rustic

10

Dudson Wood serveware is exclusively designed to complement the ceramic portfolio. The acacia wood items feature a subtle surface texture to create a rustic effect. Dudson wood is food safe and specifically designed for the hospitality industry.

HANDCRAFTED COLLECTION

A handcrafted collection, each piece is individual. Every piece is individually glazed by hand leaving an original 'makers mark', highlighting the handcrafted nature.

INDIVIDUALITY THROUGH PRINT

Printing creates individuality within each piece, as the light and dark colour tones may vary. Reactive prints create an individual texture and colour.

EDGE CHIP WARRANTY

Selected items are covered by a 5 year edge chip warranty. They are identified by this ★ symbol. Terms and conditions apply.

DURABILITY

All Dudson ceramics have a fully vitrified body which creates a 'closed' structure. The result of this is a very strong and durable product. Conforms to the British Standard BS 4034

FULLY GLAZED BASE

Pin firing process. Fully glazed foot prevents scratching when product is stacked.

STACKABLE

Engineered to stack = space saving in kitchens.
